

Application for the Orlando Waitlist Theater Festival 2026

The Orlando Waitlist Theater Festival, which endeavors to celebrate the artists that make up the Central Florida performing arts community, is extremely pleased and very excited (!) to provide an opportunity for productions that applied for the 2026 Orlando Fringe Festival but were either put on or did not make “the waitlist”. (most of us have been there, right?) As well as local artists who have been looking for an option that does not put a financial burden on their wallets.

Please note that the applications must be for brand-new works that have not been previously produced, performed, reimagined, etc. If in doubt, think “NEW!”

We have the list of shows that didn’t make it into the 2026 Orlando Fringe, so we will be checking :)

If you are wondering about an application fee, guess what? There isn’t one. The way we see it is you already had to pay one for the Fringe, right?

We will be using a model similar to Fringe as relates to venues and artist payment.

Venue cost is free, regardless of the performing space you are assigned

Sporty Space

Posh Space

Ginger Space

Baby Space

(see what we did there?)

100% of the ticket proceeds go directly to the artists.

That’s it. Cool, huh?
